GENERAL INFORMATION

APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account shows charges for local service for one month beginning with date of bill, and Long Distance and Directory Advertising charges, if any, for one month preceding.

SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customers. We realize that difficulties will occur despite all our efforts to avoid them. If at any time difficulties are not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

IDENTIFICATION OF EMPLOYEES

Employees of the Company whose duties require them to enter the premises of subscribers or others, wear a numbered badge bearing the name of the Company or carry a card of identification from the Manager. Any person claiming to be an employee of the Company who is without this badge or card should be refused admittance and the Manager notified at once by telephone.

INTERFERENCE WITH APPARATUS

A subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus leased from this Company, or make attachments thereto.

DIRECTORIES

Please check your listing and if it is incorrect in any way call the Business Office at once.

The Telephone Company assumes no liability on account of errors in or omissions from its directories. Telephone directories are and remain the property of the Company. They are printed for the exclusive use of the Company's patrons and are loaned to its subscribers. All persons are cautioned against reproducing their contents.

Subscribers must not use any binder, holder, or other attachments, except as provided by the Company.

PURCHASE OF TELEPHONE DIRECTORIES

Extra copies of local telephone directories and telephone directories of other cities and towns, both in Canada and elsewhere, may be purchased through the Manager at the Company's Business Office, at a nominal charge.

MAGNETO RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "r". The first figure following the letter "r" represents the number of long rings, and the second figure, the number of short rings. For example, to call -r-24, give two long followed by four short rings. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring-off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Business Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the City of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following is the toll centre for the district covered by this directory—

BARRIE	HAMILTON	ORANGEVILLE
GUELPH	NEWMARKET	TORONTO

Attachments to Telephone Directories such as holders, advertising stickers, or auxiliary binders bearing advertisements are prohibited.

HOW TO USE LONG DISTANCE

Out-of-town calls are easy to make. There are three simple things to do:

Give Your "Long Distance" Operator—

First: The name of the town or city you are calling.

Second: Either, the telephone number or the name and street address you want to reach.

On **Station-to-Station** calls, say "Anyone here will do."

On **Person-to-Person** calls, give the name of the particular person with whom you wish to speak (or specify the department).

Third. When the operator asks for it, give her your own telephone number.

STATION-TO-STATION ("Anyone") CALLS

These connections are usually made faster and cost less than Person-to-Person calls

On Station-to-Station calls, give "Long Distance" **only** the place and number you want to reach. In calling a firm, **do not specify** that you wish to speak with a particular person, P.B.X. local, office, department or branch served by that number. If you do, the Person-to-Person rate applies.

Station-to-Station charges begin when "anyone" answers at the called number.

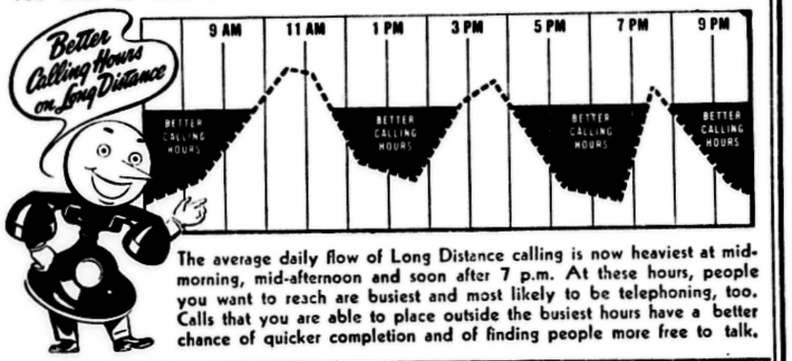
PERSON-TO-PERSON CALLS

This is the service to use when you must speak with a particular person

On Person-to-Person calls, give "Long Distance" the name of the place and the **person** you want to reach, together with the distant telephone number or street address, if you know them. You may indicate a desire to be connected with a particular P.B.X. local, an office, department or branch where that person is situated.

Person-to-Person charges begin when the specified person, P.B.X. local, office, department or branch answers.

YOU WILL BE SURE OF SPEEDIER SERVICE IF YOU CALL IN OFF-PEAK HOURS



The average daily flow of Long Distance calling is now heaviest at mid-morning, mid-afternoon and soon after 7 p.m. At these hours, people you want to reach are busiest and most likely to be telephoning, too. Calls that you are able to place outside the busiest hours have a better chance of quicker completion and of finding people more free to talk.

INITIAL AND OVERTIME RATES All rates quoted are for a three minute period except the Day rate, which is for five minutes. The overtime rate per minute for all calls is approximately 1/3 of the Station-to-Station rate for the extra 3 minute period.

NIGHT AND SUNDAY RATES Low night rates are in effect from 7 p.m. to 4.30 a.m. every day and all day Sunday (except to nearby points) according to the time in effect at the centre where the call originates.

WHEN YOU WANT TO KNOW THE CHARGES Long Distance users who want to know as quickly as possible, how much their calls have cost, should tell the Operator at the time they place them. This ensures a prompt report by the Operator.

REVERSAL OF CHARGES Charges on Long Distance calls may be reversed, that is, charged to the telephone you are calling. A traveller telephoning home may thus have his calls billed against his own telephone.

DOMINION GOVERNMENT TAX

Long Distance messages for which the charge is 20 cents or more are subject to a Dominion Government tax of ten per cent, not exceeding 50 cents for any message.

MORE VITAL THAN EVER

Good telephone service was never more necessary than now. Never was it truer that every betterment made in any user's service has an important effect on telephone service generally.

"Off-the-hook" means telephone doorways blocked. Keep them open to avoid "lost" calls. Always remember to replace the receiver.

A Mechanized Army Serving YOU

MECHANIZED and motorized units—these make up the modern army. You have often noticed Bell line crews with their trucks along the highway. Those too are mechanized, motorized units, each with a highly skilled crew; each completely equipped with tools, power, material.

In an emergency they can be mobilized—quietly, quickly, efficiently—to repair the havoc wrought by storm, fire, or flood. The equipment they carry—standardized apparatus of many kinds—makes possible the speedy restoration of vital service.

Preventive maintenance, preparedness, experience and skill—these all serve to ensure that your message will get through with minimum delay in any emergency—a vital contribution to the country's war effort.

"Every duty, well and honestly done, is a contribution to victory." — The Prime Minister of Canada

Working Harder–Saving More

That's our answer to Hitler's challenge, and no doubt it's yours too. Work and save. Save all you can—and buy War Savings Certificates *now!* They offer you a prime investment: a real opportunity to serve your country and, at the same time, protect yourself against future contingencies.

Canada's 3,300,000 small savings account holders, each with less than $1,000 in the bank, together account for over 90% of all savings deposits. It is they who must make the War Savings Campaign successful.

This Company and its 11,000 workers are doing their bit. A salary deduction plan is in effect. Its objective of 100% employee participation, and better than 5% of our total payroll, is well on the way to being achieved. All our workers are now active in selling War Savings Stamps. Every one of our offices in Quebec and Ontario is selling War Savings Stamps. Now is the time for all of us to show what Canada means to us.
